

ATG'S MAXIMUM LIMITS FOR NUMBER OF PERMITTED SYSTEMS

The Swedish Betting regulations stipulates a maximum limit of permitted systems for each punter to each pool.

Below is a reference to which chapter and paragraph in the regulations, and the maximum number of permitted systems for each bet type that is affected.

When using the betting method V6 each system is calculated as 2,5 systems for V64 and 2 systems for V65. When using the betting method GS7 on GS75 each system is calculated as 2,5 systems.

Chapter 1 § 28 Limitation of Number of Systems

The following limitation applies for each punter to each pool:

- V75 – maximum 5 000 system bets
- GS 75 – maximum 5 000 system bets
- V86 – maximum 5 000 system bets
- V64 – maximum 2 000 system bets
- V65 – maximum 2 000 system bets
- V5 – maximum 500 system bets
- V4 – maximum 500 system bets
- Top 7 – maximum 100 system bets

Chapter 1 § 29 Maximum stake

For the moment there is no limitation for maximum stake on any bet type.
